Are You Ready? The Health Insurance Marketplace is Here!

You can apply and enroll in health coverage through the Health Insurance Marketplace at HealthCare.gov.

**Quick Facts:**

- The best place for the latest, most accurate information on the Marketplace is the website, HealthCare.gov.

- At HealthCare.gov, you can learn what it is, who can apply for insurance, how to get insurance, how to lower your costs, and more.

- If you have job-based health insurance you like, you can keep it. You may be able to change to Marketplace coverage if you want to.

- You can ask your employer if it plans to offer health insurance. If not, you may need to get insurance through the Marketplace or from other sources in 2016. If you don’t have coverage, you may have to pay a fee.

- When you’re ready to enroll, you’ll decide how you pay your premiums or get help signing up for Medicaid or PeachCare for Kids if you’re eligible.

- If you have Medicare, you’re already covered and don’t need to make any changes.
