Directions on how to enroll in:
Enhancing the Safety of Locally Grown Produce – At the Market

How do I enroll in the online Enhancing the Safety of Locally Grown Produce – At the Market?

Go to http://campus.extension.org and look to the left to find a login box.

If you do not have an account, click on Create new account and fill in the information requested.

You will receive an email confirming the account creation within an hour or so. Follow the instructions in the email in order to enable the account. If you do not get a confirmation email please email: moodlehelp@extension.org for help.

If you **do have an account** then log in with your username and password.

After you have logged in look for the search box and type in "**Enhancing the Safety**" and click on the search button. Two courses will be returned.

How do I come back to the course?

Once you are enrolled in a course it will appear on a list under "My Courses" on the left side of your screen the next time you log in. You can then click on the course to go back to any part of the course.

Where can I get help and assistance?
