RELATED TEACHING EXPERIENCE

Please describe any experience you have team teaching or as sole instructor of a course; experience grading assignments, delivering lectures, developing in-person or online course content; and/or prior teaching assistantship experiences at UGA and elsewhere.

RELATED RESEARCH EXPERIENCE

Please describe any experience you have in academic and/or applied research settings conducting any of the following: literature searches and reviews; collecting data; coding or recording data; writing research reports; analyzing qualitative and/or quantitative data.

OTHER RELEVANT EXPERIENCE

A majority of graduate assistants in the department assist with teaching and research related activities but assistantships may also involve public service and outreach activities in Cooperative Extension, the Housing and Demographic Research Center, and allied professional units on campus. Please describe any experience you have delivering programs or curriculum to general audiences, evaluating the effectiveness of education and/or outreach programs, and administrative experience that may be of value in these settings.
