GICH Alumni Certification Process

• The GICH Alumni Certification is valid for two (2) years. To stay certified, GICH Alumni Teams must participate in continued education, document regular team meetings, demonstrate ongoing efforts towards the implementation of their housing plan, and finally provide documentation on interactions with their local government(s).

• Recent graduates of the GICH program will automatically become GICH Alumni Certified and will only need to seek recertification two (2) years after their graduation in the GICH program.

• The Department of Community Affairs (DCA) will continue to take applications for new and/or continuing GICH Alumni Certification every year.
• The Department of Community Affairs (DCA) will be taking applications for the GICH Alumni Certification in May 2018. More information will be provided as 2018 approaches.
