Marketplace Application Checklist

The Health Insurance Marketplace offers different types of health plans to meet a variety of needs and budgets. You’ll need to figure out how much you want to spend on health coverage each month.

When you apply for coverage in the Marketplace, you’ll need to provide some information about you and your household, including income, any insurance you currently have, and some additional items.

Use the checklist below to help you gather what you need to apply for coverage.

- Social Security numbers (or documents for legal immigrants)
- Birth dates
- Pay stubs, W-2 forms, or “Wage and Tax Statements”
- Policy numbers for any current health insurance
- Information about health insurance you or your family could get from your jobs
