# Child Care & Parenting

## **KEEPING CHILDREN SAFE AND WELL: SELF-STUDY FOR CHILD CARE PROVIDERS**

CHFD-E 26

(3 hours DHR credit for child care professionals)

Providing healthy and safe care for children is a major responsibility for child care providers. This self-study focuses on understanding infectious disease, preventing disease, symptoms of illness, indoor safety, and outdoor safety. (1994) \$13.00 Video, \$12.00 Workbook

## **GUIDING CHILDREN POSITIVELY: SELF-STUDY FOR CHILD CARE PROVIDERS**

CHFD-E 27

(3 hours DHR credit for child care professionals)

Guiding behavior in a positive way is one of the most challenging tasks faced by child care professionals. This training resource offers tools for understanding behavior of children and self; leads to better understanding of discipline as a tool for prevention; demonstrates positive guidance techniques; and guides care providers to help children learn how to behave and redirect appropriate behavior. (1994) \$13.00 Video, \$13.50 Workbook

## **CHILD DEVELOPMENT ZONE: SELF-STUDY FOR CHILD CARE PROVIDERS**

CHFD-E 28

(3 hours DHR credit for child care professionals)

Understanding the development of children is critical to planning developmentally appropriate activities. This self-study is designed to increase the understanding of children from birth through age five. It includes physical, social, emotional and cognitive areas of development and guidelines for understanding the patterns unique to each child and those common to all children. Learning to plan activities to encourage and allow the development of each child at his or her own rate is also included. (1994) \$13.00 Video, \$13.50 Workbook

## **BABY'S FIRST YEAR CALENDAR**

CHFD-E 14

Educational calendar to record events in the first year of life and track normal infant development. (1997) \$2
