

**APPLICATION TO UGA DEPARTMENT OF
FOODS AND NUTRITION GRADUATE PROGRAM**

**Applications are reviewed all year. However, the best time to apply is for fall semester.
For degree seeking applicants, all application materials must be received
by January 1 for full consideration for fall semester.**

**Return to: Mary Ann Johnson, Ph.D.
Graduate Coordinator
Department of Foods and Nutrition
The University of Georgia
Athens, GA 30602-3622**

**Email: DrMaryAnnJohnson@gmail.com
Phone: 706-542-2292
FAX: 706-542-5059**

1. Social Security Number: _____ 2. Date: _____
 3. Full Name: _____ 4. Date of birth: _____
 5. Address (current): _____
 6. Address (permanent, for summer mailings): _____
 7. Telephone number: _____ 8. Email: _____
 9. Entry date requested (circle one): Fall (August) Spring (January) Summer (June)
 10. I will enter the D&D Digital Systems computer matching process for your Dietetic Internship Program (circle one): No Yes [all application materials must be received by January 11 (eleven)]

Only check "yes" if you will be submitting a "Declaration of Intent to Complete Degree and/or CADE Minimum Academic Requirements Form" or a "Verification Form" from the university where you completed your dietetics coursework with this application to our graduate program. If yes, then all didactic dietetics requirements must be completed prior to enrolling (speak with your undergraduate advisor about this and/or or contact Dr. Barbara Grossman, UGA Dietetics Internship Director, bgrossma@uga.edu).

If yes, then a Verification Statement from an approved or accredited didactic program in dietetics must be provided prior to the first day of classes.

11a. Degree interest (circle one): PhD MS MS (non-thesis) 3/2 BS/MS 3/2 BS/MFCS

11b. Non-degree seeking (circle one): School Nutrition Director Certification
 (if yes then complete through item #12 only)
 Dietetics courses to become a dietitian
 Other (explain): _____

12. I have attended the following colleges or universities (send official transcripts from each):

Name of Institution, city, state, country	Dates Attended	Degree, Major, e.g., Nutrition, BS	GPA

13. Grades (degree-seeking must have completed chemistry, and either biochemistry or physiology):

Biology: _____ Chemistry: _____ Biochemistry: _____ Physiology: _____

14. I have taken the GRE examination during the past 5 years (No Yes), and my scores are:

Verbal: _____ Quantitative: _____ Analytical: _____ Total (V+Q): _____

15. I am an international student and will send my TOEFL score to your institution. Score: _____

16. Honors and other evidence of scholarship:

17. Work or volunteer experience in foods, nutrition, or related areas:

18. Areas of professional and/or research interest in foods and nutrition. You must indicate a professional and/or research area so that we can identify an advisor for you.

19. List the faculty that you would like to be your advisor. List at least two or three faculty and check ahead of time to be sure that your interests match their interests. Graduate faculty in the department of foods and nutrition who advise graduate students includes Drs. Anderson, Andress, Baile, Fischer, Giraud, Grider, Hargrove, Harrison, Hausman, Johnson, Lee, Lewis, Mullis, and Swanson. More information about these faculty is at: <http://www.fcs.uga.edu/fdn/directory.php>. NOTE: If non-degree seeking, then the graduate coordinator usually serves as the initial advisor.

20. Attach a Resume and a Statement of Purpose that describes your objectives in graduate work and your career goals.

21. Do you wish to be considered for an assistantship (financial aid)? No Yes

If yes, then list your qualifications for a position as a teaching or research assistant in foods and nutrition, such as a degree in foods in nutrition for teaching, experience in a laboratory or community setting for research. (Non-degree seeking students are not eligible for assistantships).

Teaching qualifications (preference given to those with degrees in foods and nutrition):

Research qualifications: _____

NOTE: See http://www.fcs.uga.edu/ss/scholarships_grad.html and email cwilliams@fcs.uga.edu to request the form to apply for other college scholarships (\$500 to \$3,000 annually).

22. The following three persons have been requested to write letters of recommendation on your behalf (the graduate school will contact them to submit them electronically). Persons familiar with your scholarly achievements and potential for graduate work and a career in the area of foods and nutrition should write these letters. It is the applicant's responsibility to see that these letters are completed. NOTE: Recommendation letters are optional for non-degree seeking.
