Notification of Intent to Take the Ph.D. Written Comprehensive Exam

In consultation with their major professor, students must complete the below form and turn it into the Graduate Coordinator's office no later than the MIDPOINT of the semester PRIOR to the actual semester in which the exam will be taken. At this time, students will receive questions used from the past 5 years.

This form is internal and is not turned into the Graduate School. **Be sure to make a copy for your records.**
