**Child Development Lab at the McPhaul Center
Pre-Kindergarten Extended Day Child Care Contract**

Extended day services are offered by the Child Development Lab at the McPhaul Center for those children needing care beyond the 6 1/2 instructional hours offered through the Georgia Pre-K Program. Extended day hours are from 2:30-5:45 every day the Georgia Pre-K program runs. The cost for extended day service is \$80/week. Extended day is planned & coordinated by a graduate assistant and an additional staff member.

The extended day class typically has between 11-14 children enrolled. Throughout the afternoon, the children will continue to engage in fun and stimulating activities but in a smaller and more relaxed atmosphere. The decreased numbers give the teachers more one-on-one time with the children, which both parties enjoy.

Contract:

I _____(parent(s) name(s)) wish to enroll my child,
_____(child's name), in the Child Development Lab at the McPhaul
Center's Pre-K Extended Day Program from 2:30-5:45 following the Georgia Pre-K
program. I understand by signing this contract that I am responsible for paying the
weekly cost of \$80, whether my child attends or not. I also understand that should I fall
behind in making the weekly payments by more than two (2) weeks, my child may not be
allowed to attend extended day until my account is brought current. Should I wish to
change my child's status of enrollment in the Pre-K extended day program, I will notify
the director in writing at least two (2) weeks prior to the change.
