

# Increase Research Opportunities By Accessing Internal Files of the Census Bureau

<http://afcity.org/Community/Resources/Census/tabid/641/Default.aspx>

Presented by:

## Dr. Warren Brown

Applied Demography Program Director, Governmental Services  
and Research, Carl Vinson Institute of Government

*Dr. Brown has his Ph. D. from Cornell University and came to the Carl Vinson Institute of Government in 2009 as the first director of its new Applied Demography Program. This initiative provides current demographic data and detailed projections about Georgia's population to state and local decision makers for strategic planning purposes.*

### Dr. Brown's seminar will cover the the following datasets:

American Community Survey  
Current Population Survey  
American Housing Survey

NHANES  
National Survey of Family Growth

## HACE Seminar

Monday, March 21st

310 Dawson Hall ~ 3:35 - 4:25 pm

305 Sanford Drive
