The Career Outcomes Rate is calculated from the percentage of students who are either working, continuing their education, or not seeking employment within an average of 6 months after graduation. A Career Outcomes Response Rate of 84% is based on the known career outcomes of 469 of the 560 College of Family & Consumer Sciences (FACS) graduates from the Class of 2020. For more information, please visit the UGA Career Outcomes webpage or email success@uga.edu.
