Tuition is based on a set amount per child (dependent on classroom) per year. As noted in the chart, this annual amount is divided evenly to determine the tuition amount due. Monthly tuition will be assessed on the first day of programming each month. Tuition is due during the month services are delivered. Failure to consistently keep your account in good standing (including payment of any late fees) could result in termination of enrollment.

Tuition during closure

If the CDL is required to close temporarily, due to inclement weather or other unforeseen situations, or for extended periods of time, due to a pandemic or other health/safety emergency, full tuition will continue to be assessed. During extended closure of more than one week, teachers will telework so that children and families receive resources, virtual access to teachers and administrators, and educational instruction. If payment of tuition during a period of extended closure creates a financial hardship for a family, please contact Amy Kay Powell at akay@uga.edu or 706-542-4921 to discuss arrangements.

Eligible UGA employees may enroll for automatic payroll deduction (please see chart for amounts).

In lieu of payroll deduction, other payments can be made through checks or money orders payable to the *CDL @ McPhaul* or online with a debit or credit card.

All tuition checks should have the child’s name and classroom included in the memo section, as well as the month for which tuition is being paid.

For returning families, the \$250 annual supply fee needs to be paid in full at the beginning of the programming year. For newly enrolled children the supply fee must be submitted in full at time of enrollment.
