Family & Consumer Sciences

University of Georgia
Extension

Alexis Roberts, Fulton County FACS Agent

Education: B.S. in Nutrition and Food Science, Georgia Southern University; M.P.H. in Healthcare Management and Policy, Georgia State University

Programming focus: Chronic Disease Prevention/Healthy Lifestyles; Financial Capability; Food Safety and Preservation

Fulton County Family and Consumer Sciences assists workers, consumers and families in meeting their basic and most important needs with a wide body of research-based knowledge about topics that affect their lives. We want to help Georgians meet new challenges in a changing environment. We focus on our clients' economic and social well-being through programs that help people extend their income, cook and eat nutritiously, and make important buying decisions.

County media: Fulton County Newsroom and Fulton Government Television
