Terri Black, Burke County Agent

Education: BSFCS, Child & Family Development, University of Georgia; MEd. Adult Education, University of Georgia

Programming focus: Chronic Disease Prevention/Healthy Lifestyles, Food Safety and Preservation, Positive Development for Individuals, Families and Communities

In Burke County, the Family and Consumer Sciences program works to improve the health and well-being of families, youth, and citizens. Child health and safety programs provide youth and parents with opportunities to learn how to lead fulfilling lives, while chronic disease prevention and food safety education keep citizens healthy and productive. There is a variety of programming and educational resources available to help residents of all ages improve their quality of life.

County media: The True Citizen

UGA Extension offers educational programs, assistance and materials to all people without regard to race, color, national origin, age, gender or disability.
