In response to COVID-19 and UGA’s move to virtual instruction, we are restricting physical access to all Bulldog Basics locations to minimize direct person-to-person contact and to ensure the safety of our students, faculty, and staff. The following outlines the process for current students to request Bulldog Basics items.

Bulldog Basics Request Process

- Complete the request form no later than 12:00 p.m. (noon) on the day indicated in the form. The form will close at that time and reopen for requests at 4:00 p.m. for the next week’s requests. You will receive a submission confirmation.

- Items will be available for pick-up at the Dawson Hall front entrance/front porch after 3:30pm on the designated day. You will receive a follow up notification when items are available.
- When you arrive, the items will be near front doors of Dawson Hall in plastics bags. Look for your name and retrieve the appropriate bag. Maintain a safe physical distance if others are around. Wash your hands at the first available opportunity.
- Please note that items requested may not be available. At this time, we can only accommodate small requests. We will do our best to fulfill each request based on inventory availability. Please keep in mind that we operate mostly by donations, and as such may have limited or no supply for certain categories. We do not carry certain items like toilet paper or paper towels. Thank you for your patience and understanding during this time.
- You can request items each week.
