Bulldog Basics is an initiative that provides toiletry and personal-care items to UGA students on the Athens campus. Students place an order through the online eStore and select one of three available pick up locations.

Some UGA students struggle to secure basic toiletry products that most people take for granted. The Bulldog Basics program works to ease this burden by providing students with a safe, secure, and confidential process to receive toiletry and personal-care items. By having their basic needs met, students are able to focus on their academics and make the most of the opportunities UGA has to offer.

While the Bulldog Basics program gladly accepts donations of unused toiletry items, an additional monetary gift will assist in program expansion, inventory management and supply, and the overall enhancement of student life on campus. We have created a unique giving opportunity for donors to make an immediate impact on the lives of students.

We invite you to join the Bulldog Basics Sponsorship Program to help remove barriers and change the lives of students. No student should have to decide between buying textbooks or buying toiletry items. Give now to make a lasting impact.
The item numbers displayed showcase the immediate impact a gift will have at any of the giving levels below. However, any gift amount is welcomed to assist current Bulldog students overcome barriers to their education. Reusable bags, toothbrushes, body wash and laundry detergent are a few of the most requested items by students.

Give now: https://t.uga.edu/6Ai
