Christa Campbell, Elbert Coordinator

Education: B.S. Fashion Merchandising, University of South Carolina; M.S. Clothing, Textiles, & Merchandising, Florida State University

Programming focus: Food Safety and Preservation, Positive Development for Individuals, Families and Communities, Economic Well-being for Individuals and Families

The Elbert County Family & Consumer Sciences programming focuses on the positive development for individuals, families, and communities with the primary focus being at-risk youth. The at-risk youth program teaches basic life skills while focusing on service learning and workforce development. Elbert County adult programming includes nutrition education, food safety, and economic well-being.

County media: Times Courier, The Elberton Star and WSGC Radio 105.3.

UGA Extension offers educational programs, assistance and materials to all people without regard to race, color, national origin, age, gender or disability.
