Georgeanne Cook, Washington County Agent

Education: B.A. Education Georgia Southwestern University

Programming focus: Chronic Disease Prevention/Healthy Lifestyles, Food Safety and Preservation, Positive Development for Individuals, Families and Communities

Washington County's FACS programming mission is to provide knowledge to all people in our community to improve their quality of life. We do this through extending The University of Georgia resources linking the expertise of our Specialists to families and businesses. In the county. Our FACS programs provide research-based knowledge on financial planning, nutrition, parenting and home safety.

County media: Sandersville Progress, WSNT Radio and WJFL Radio.
