

## Daily Questions to Determine Admittance

### 1. Do you or do any of the children you are dropping off have:

- a fever\*
- cough
- shortness of breath
- difficulty breathing
- other respiratory symptoms
- diarrhea
- nausea/vomiting
- at least two of the following symptoms:  
chills, repeated shaking with chills, muscle pain, headache, sore throat,  
or new loss of taste or smell?

### 2. Have you or any of the children you are dropping off:

- a. Had any of these symptoms since the last time you were here?
- b. Been in contact with anyone with these symptoms since the last time you were here?
- c. Potentially been exposed\*\* to COVID-19 or have reason to believe you/they have COVID-19?

If “yes” to symptoms for family member or child or being exposed to someone with symptoms, follow up with:

- When?
- Situation? (Inside? Outside?)
- Proximity?

*Direct exposure includes: less than 6 feet apart for more than 15 minutes w/o a mask to someone diagnosed with or displaying symptoms of COVID-19.*

### 3. Who is able to pick the child up within 30 minutes today?

\*Fever is determined by a thermometer reading 100.4 or higher or by subjective signs such as flushed cheeks, fatigue, extreme fussiness, chills, shivering, sweating, achiness, headache, not eating or drinking.

\*\*Exposure is sharing a household or having close contact with anyone with COVID 19 or has symptoms of COVID 19.
