*Donor - Scholar*  
— RECEPTION —

THURSDAY, OCTOBER 19, 2023

## — W E L C O M E —

Welcome to the Donor-Scholar reception, an experience we have designed to recognize our generous donors and the students they help support. We are so grateful you have joined us today!

A culture of philanthropy was established early in FACS, with the first private gift to the college made in 1919 and the first scholarship endowment dating back to 1951.

We are so proud of our college's distinction of being the entry point for women at the University of Georgia, and just as proud of the legacy of generosity our supporters and alumni established from the very beginning over a century ago.

Today, our college has more than 130 endowed funds that go toward scholarships, professorships, international study awards, research support and more.

To our donors and friends, thank you for your support and for your willingness to partner with us in this great pursuit of excellence.

Thank you also to all of the award recipients recognized here. Your commitment to improving lives inspires all of us. Together, we can continue to open doors and break down barriers.

We are grateful to be able to count on your unwavering support and commitment to improving lives.
