

Endsley-Peifer Student Research Award

Purpose

To recognize students whose research during graduate school made significant contributions to advancing knowledge in one or more specialty areas comprising the College. Particular emphasis will be given in recognition of the research that promises to enhance the physical and/or social quality of life for families.

Eligibility

Students eligible are those who have a **peer reviewed, serial publication for dissemination of their research.**

Students must be sole or senior authors, or provide documentation they made equal contributions as junior authors.

Nominations

Each department may submit one student name, in each category, signed off by the graduate coordinator, along with the paper.

How to nominate

Submit name of student and peer reviewed publication to facsassocdeans@uga.edu.

Each nomination packet should include:

- Copy of the peer reviewed, serial publication from the student

The recipient will receive a cash award.

Deadline

March 15, 5:00 p.m.
