I. Budgetary Approval for Position

(Questions? → Contact the Dean)

☐ Department completes and obtains Dean’s signature on the FACS Request to Initiate Search and Recruitment for Departmental Faculty

https://www.fcs.uga.edu/docs/FACS_Request_to_Initiate_Search_and_Recruitment_for_Departmental_Faculty.pdf

- Department ensures that a copy of the signed, approved form is provided to the department office manager, department business manager, FACS Human Resources Coordinator, and FACS Financial Director.

☐ Plan Start-up Funds needs and develop justification and corresponding spreadsheet to distribute start-up over two or more fiscal years and commitments by Dept., College and request from Office of the Vice President for Research (OVPR). OVPR requires the Research Investment Advisory Committee (RIAC) review a narrative and spreadsheet.

☐ Public Service Rank: Use of public service faculty rank/titles must also receive prior approval of the Vice President for Public Service and Outreach by completing an online form “Request to Hire Public Service Faculty” signed by the Department Head and Dean. Click here for more information: http://outreach.uga.edu/ovppso/appointment-checklists

II. Conduct Search

(Questions? → Contact FACS Human Resources Coordinator)

Conduct search per UGA Academic Affairs Policy Manual, 1.08-Recruitment of Faculty and additional search procedures as required by appointment guidelines for rank and/or special professorship agreement.

UGAJobs must be used to advertise all open faculty positions and to process hiring proposals. In the College of Family and Consumer Sciences, Lynn Parham in the Dean’s Office is the college’s Office of Faculty Affairs Hiring Unit Liaison and you should direct questions to her.

**IMPORTANT:** If you believe exceptional circumstances justify faculty hire without a search for a full-time position, the Dean will contact the UGA Equal Opportunity Office (EOO).

Part-time faculty hires at 75% time or less may be approved without a search. For part-time hires without a search, the department will contact EOO for approval. In part-time hires without a search, the department will begin the process at Department Initiates Position Description in UGAJobs step after obtaining EOO approval. No search committee or outside advertisements are required for hires without a search.

**EOO written approval must be received prior to offer of employment if no search is conducted, regardless of whether part-time or full-time.**
☐ **Appoint Search & Screening Committee** - Secure Dean’s approval of members. College requires a minimum of one member be UGA faculty external to the college. Seek diverse representation on the committee. The Department Head cannot chair or serve on committee.

- A Search & Screening Committee for full-time faculty appointments at all non-tenure and tenure-track rank is required.
- For additional information, see [UGA Guidelines for Appointment, Promotion & Tenure](https://www.uga.edu/hr/policies/ugaguidelinesforappointmentpromotionandtenure) Section V. Procedures for Appointments (p. 23-24)

☐ **Adopt Aggressive Affirmative Action Steps for Minority and Women Candidates**

☐ **Prepare Position Description** – Follow UGA Affirmative Action Guidelines available online at [https://eoo.uga.edu/](https://eoo.uga.edu/). Include summary of the qualification, position responsibilities and allocation of effort. Must obtain Dean’s approval of position description as a MS Word document before entering into UGAJobs.

- **Job Posting EEO/AA Tagline** – The following language must be included in the job posting: “The University of Georgia is an Equal Opportunity/Affirmative Action employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, ethnicity, age, genetic information, disability, gender identity, sexual orientation or protected veteran status. Persons needing accommodations or assistance with the accessibility of materials related to this search are encouraged to contact Central HR (hrweb@uga.edu). Please do not contact the department or search committee with such requests.” However, in FACS we promote the addition of this statement: “The college welcomes applications and nominations of minorities and others who share our passion about and reflect our desire to support a culture of diversity and inclusion.”

☐ **Position Description Tips**

- **Earned doctorate or ABD:** Earned doctorate means degree is completed at time of application. No candidates may be considered if terminal degree is still in progress. However, if you wish to consider ABD (all but dissertation) consider this language in the position description: **Minimum Qualifications:** Candidates must have an earned doctorate in <discipline> or a closely-related discipline, or be ABD with a terminal degree transcript on file no later than nine months from appointment date.

- **Earned doctorate vs. earned Ph.D.** If you require earned Ph.D. you may not consider Ed.D. or J.D. applicants. The earned doctorate is more inclusive if your position would be suited for Ed.D. and/or J.D. applicants.

- **MFA or similar master’s degree in lieu of terminal degree.** Faculty hires must have a doctorate degree. If this option is used, the instructions must be followed in Section III: Request for Exception prior to extending an offer. Exceptions can be handled in the advertisement and letter of offer in the following manner. Minimum Qualifications: M.S., M.A. or M.F.A. (potential language “with at least one additional credential in <discipline specific>. Preferred Qualifications: Earned doctorate in <discipline>. Candidates with a M.S. or M.A. degree must document exceptional accomplishments in <discipline> or related area and must be approved for a terminal degree exception before hire.”

- **Required Qualifications** followed by a separate list of **Preferred Qualifications** provides additional clarity for expectations of candidates at time of application.
• Any experience listed as a qualification must be quantified, e.g. two years of experience teaching preferred.

☐ If the position will require space outside your department or renovation of existing space, as soon as the faculty search is approved, work with Dean and FACS Facilities Manager to send a description of your space needs to the Facilities Management Division and the Office of the University Architects at FPAF@uga.edu and/or plan in advance for Major Repair and Rehabilitation (MRR) request.

☐ Human Resources Coordinator gives charge to search committee and delivers EEO/Affirmative Action Briefing

- The Position Description, Advertising Plan, Long and Short Ad Copy, Candidate Comparison Form, and timeline for search process are finalized by the committee.
  - Develop an Advertising Plan: It is required to place the advertisement in national media appropriate for the discipline. If you wish to be able to sponsor the successful candidate for U.S. permanent residency, the ad must be placed in a national or international published print or electronic journal for a minimum of 30 days, e.g. The Chronicle of Higher Education. Every recruitment statement must include "The University of Georgia is an Equal Employment/Affirmative Action Institution" or its abbreviated version.
  - Determine at this time if 3 external letters of recommendation are required at the time of application, or not. Typically the screening process can occur with letters of reference. However, if required in the notice of vacancy, any candidate without all letters in our possession cannot be considered as completed application packages. Instead, you may ask for written letters to be submitted at the time of interviewing top candidates. Three letters and official transcript are required before hiring but not necessary at time of seeking applications.

The completed worksheet with a Reason Code for each applicant is required to be provided by the Search Committee Chair to the Department Office Manager during the hire process (Section VI).

If so, work with Dean following UGA Dual Career Academic Hiring Policy 1.08-7 and EOO guidance https://provost.uga.edu/policies/academic-affairs-policy-manual/1-08-recruitment-of-faculty/ for faculty hire. If staff or other potential UGA employment assistance for spouses or partners, request the Dean to notify Human Resources to invoke Dual Career Assistance Program https://hr.uga.edu/supervisors/dual-career-assistance-program/
III. Request for Exception prior to extending an offer

All written requests for exception to BOR and/or UGA policy, or special tenure-related terms should be brought to the attention of the Dean and FACS Human Resources Coordinator to submit to the Office of Faculty Affairs in writing with a brief justification, prior to extending an offer.
