Introduction
Dear Student Organization Leaders and Faculty/Staff Advisors,

Our college is known for developing leaders through academics, but many of the skills used to chart your career path are curated by your involvement in a student organization. FACS, and specifically the Student Success and Advising Center (SSAC), are here to support you in your role as a student leader and organizational advisor. The SSAC is a resource for college related information and serve as a liaison to communicate information from the UGA Center for Student Activities and Involvement (CSAI), a unit of the Tate Student Center, within the Division of Student Affairs. The CSAI is a separate entity from FACS, but we work with them on their mission to promote and provide student involvement opportunities on campus in its pursuit to help students successfully transition into the institution, build community, and improve overall student success through curricular and co-curricular experiences. They serve as a resource for all UGA registered student organizations.

The two people you’ll interact with most are Dr. Cara Simmons and Kassie Suggs in the Student Success and Advising Center (SSAC). Cara Simmons serves as the Director and Kassie Suggs serves as the Office Manager. Additionally, you may communicate with Lynn Woodall in FACS’ Business and Finance Office.

Dr. Simmons provides general student organization support including co-planning the fall Leadership Retreat for FACS student leaders and their faculty/staff advisor, coordinating the student fee allocation process, and updating the student organization handbook and website.

Contact Information
Cara Simmons; email: success@uga.edu

Cara provides general student organization support including co-planning the fall Leadership Retreat for FACS student leaders and their faculty/staff advisor, coordinating the student fee allocation process, and updating the student organization handbook and website.

Kassie Suggs; email: ksuggs@uga.edu

Kassie supports student organizations with the reimbursement process. Occasionally, you may hear from the FACS Business and Finance Office. When you receive emails from us, it is generally important and often time sensitive. Please respond when we reach out. If you have any questions, contact us especially if it relates to a reimbursement.

Lynn Woodall; email: alk@uga.edu

Lynn supports the student organizations with budget tracking and reporting. Typically reports will be sent to the treasurer and/or organizations president (or both) for monthly tracking. Lynn is also the final college approval for all reimbursement request. If you have budget or reporting questions, please reach out via email.

NOTE: If you have any questions or are unsure of a process, please reach out to us. We are here to support your organizations. Additionally, this will not address every question or scenario.

Student Organization Registration

- Student organizations must register annually with the UGA Center for Student Activities and Involvement. Registration of student groups is necessary before University facilities and services will be available.  
- NOTE: The FACS deadline is always earlier than the CSAI deadline and requires additional documentation. Please plan accordingly before the spring semester ends.  
- An updated constitution is required for all FACS student organizations.  
- Registration information is available under Important Links.

Student Fee Budget Allocation

- There is a process to request funds from the college for eligible student organizations. FACS

Officer Contact Information

- Update annually when requested in the spring. Available under Important Links. You must access through a UGA email address to edit.
Website Information

- It is important to keep your websites updated. Update annually when requested in the spring and as needed. Student organization websites are available [here](#).
- You can work with Jimmy Hansen (jphansen@uga.edu) in FACS’ Office of Technology and Instructional Services (OTIS) to request access to Expression Engine to update yourself or have Jimmy update. Jimmy will let you know what is needed to make your organization stand out. A few suggestions to expedite the process are below.
- If you would like Jimmy to create/update, you will need to have all of the necessary information in a Word document including what you would like linked, what’s a heading or subheading, etc. Pictures are important too! Please include the following within the document:
  - 5 quality pictures with captions (pictures can be attached to the email)
  - What does your club do?
  - Why should someone join?
  - How can someone join?
    - You can either attach an email address or have a “button” that will lead to the information. If you prefer this method, please provide the information in a Word document.
  - Tentative list of meeting and event dates and times for 2019-2020 (Ex. Last Tuesday of every month at 5:30pm)

GRADUATION CORD POLICY

Per the University of Georgia’s Office of the President, along with the Commencement Steering Committee, and supported by the Dean of the College of Family and Consumer Sciences, cords, stoles, and other adornment over graduation attire is reserved for certain student populations.

Official UGA graduation cords are designated only for highest honors—such as first honors and presidential honors—as well as military affiliation, including veteran status and ROTC membership. This approach is intended to preserve the tradition at UGA of awarding official cords only to recognize select areas of distinction and accomplishment.

We encourage student groups who wish to pursue recognitions to explore pins, certificates, tassel charms, or other such items.

Questions regarding this policy should be directed to Dr. Patricia Hunt-Hurst, Associate Dean for Academic Programs.

**For All FACS Student Organizations**

- **Venues and Contracts:** When securing a venue for an event where a contract is required, you must work with the University Procurement office adhering to policies, completing forms, and meeting deadlines (theirs and the College’s).

**FINANCIAL INFORMATION**

**Account Information**

Student organizations are allowed to have two accounts as follows:

- Student Activity Fee Allocated College Account and Agency Account (both through UGA)
- Agency Account (UGA) and Non-University Banking Account (like SunTrust, BOA, etc.)

Student organizations may have both a student activity fee allocated college account and an agency account, but if so the organization may not have any outside checking account. Student organizations must have written approval from the dean in order to have both allocated and agency accounts.

Send allocated account questions to success@uga.edu.

**Agency Accounts**

An agency account is a special University account, available to officially registered student organizations which do not receive state or student activity fee funding. Income for the organization is usually generated from dues, donations, fund raising activities, and ticket sales.
Agency accounts are fully supported by the Tate Student Center Business Office only
Agency accounts can spend 100% on travel and food
Agency account funding automatically carry-forward into the next FY

Student organizations which choose to maintain an agency club account with the Business Office will be required to pay applicable taxes on purchases. All ticket sales, as well as goods and services sold by the Tate Student Center on behalf of student organizations, are subject to sales tax.

Direct agency account questions to Ki Juana Clark in the Dean of Student Business Office at 706-542-8548 or clark35@uga.edusuccess@uga.edu.

Non-University Bank Accounts
A non-university account is any account not associated with the University of Georgia such as Wells Fargo, Chase, Bank of America, etc. If you have a non-university banking account, financial related information in this handbook does not pertain to you. All other policies apply such as selling tickets on campus, reserving rooms, being registered, etc do. If you have an outside checking account, we cannot help you resolve any issues. Employees of the University of Georgia are strictly prohibited from acting as a signatory on the private bank account of any of the University’s student organizations. The full policy is available at this link - [https://policies.uga.edu/Human-Resources/Employment/non-university-bank-accounts/](https://policies.uga.edu/Human-Resources/Employment/non-university-bank-accounts/).

Student Activity Fee Allocated College Accounts
The college allocation is an amount given to a student organization. They receive a line item allocation from the Student Activity Fee award amount provided to the College of Family and Consumer Sciences. The student organization must put in a budget request for approval of the funds needed

Student organizations which receive a student activity fee allocation are exempt from the payment of Georgia Sales Use Tax and Federal Excise taxes. However, many vendors will routinely add sales tax to purchases. When paying a vendor by University payment request, the sales tax should be deducted from the amount due when preparing the check request. If a vendor adds sales tax to a petty cash purchase, the full amount, including the tax, will be reimbursed to the individual who made the purchase.

Funding qualifications
- In order to receive funding for the upcoming year, you must attend the budget allocation meeting in the spring. Information regarding the meeting date and time will be shared mid-spring semester from success@uga.edu.
- To qualify for funding, each student organization must register annually with the Center for Student Activities & Involvement (CSAI).
