

To find what courses are offered each semester:

1. Go to Athena.uga.edu
2. Click on **Class Schedule** (*NOT Course Catalog**)
3. Under Search by Term, select the semester and year; Submit
4. Under Subject, select the Department, *e.g. for Nutritional Sciences, select NUTR*
5. For Course Number, enter the course you are interest in, *e.g. 8900 for NUTR Seminar class. Select Class Search at bottom.*
6. If you leave the Course Number box blank, and select Class Search at bottom, you will see all of the courses taught in NUTR for the semester that you selected.

**Course Catalog is a listing of all of the courses approved to be taught in a given Department. But some of these courses are not taught each semester, or even each year.*
