16. Ask a Financial Planning Service Provider - Q & A  
*Have a money question? Ask an ASPIRE financial planning service provider!*
17. Financial Well-Being Initiative  
*Financial well-being is commonly overlooked among the 5 dimensions of well-being and healthy financial practices like saving can feel out of reach. We are here to challenge that myth! Stop by and commit to the savers challenge and post about what financial well-being means to you!*
18. & 19. Financial Jenga Game  
*How prepared are you financially? The Financial Jenga game will reveal just that. Will the stack remain strong or crumble before your eyes? Try it and learn more about your own financial situation.*
20. Financial Competence & Clarity Game  
*Are you aware of how your current financial position and the decisions you make today will affect your financial future? Designed to build financial clarity, our game will reveal the importance of understanding how your decisions today pay a role in your future goals. Grab your tokens, and let's begin!*
21. Financial Cognizance Quiz  
*Are you ready to take your first step in discovering financial confidence? Start by taking this short, comprehensive quiz to diagnose your level of financial cognizance. Your results will unlock recommendations tailored for you.*
22. Financial Weaving  
*So much emphasis is placed on our long-term plans. Less time is spent thinking about the support system you need to have in place to achieve those goals. Financial weaving is designed to help you build long term goals backed by the social support you have or need to have to be successful.*
23. Financial Peace of Mind Spa  
*Spa-inspired therapeutic practices designed to help you develop quiet confidence in your ability to harness your finances to curate the life you desire today and tomorrow.*
24. Fishing for Financial Tips  
*Grab a pole and go fishing for some sweet money tips!*
