Rachel Hubbard, Lanier County Coordinator

Education: B.S. Food Science & Technology, University of Georgia;
M.S. Food Science & Technology, University of Georgia

Programming focus: Chronic Disease Prevention/Healthy Lifestyles,
Food Safety and Preservation, Economic Well-being for Individuals and
Families

Lanier County is a small, rural community with very little industry and high poverty rates. To address these issues, I have focused much of my programming in Nutrition, Health and Chronic Disease prevention and financial literacy education. I have developed partnerships with local agencies and organizations to reach a broader audience. I also partner with the 4-H program to reach more youth audiences.

County media: Lanier County Advocate, Lanier County News

UGA Extension offers educational programs, assistance and materials to all people without regard to race, color, national origin, age, gender or disability.
