Jessie Moore, Gilmer Count FACS Agent

Education: B.S.F.C.S. – Dietetics, The University of Georgia (2012); Associates of Sciences – Allied Health, Young Harris College (2008)

Programming focus: Financial Capability; Chronic Disease Prevention/Healthy Lifestyles; Food Safety and Preservation.

The Family and Consumer Sciences programming in Gilmer county focuses on the unique issues that residents in this area of Georgia face including chronic disease prevention and promoting healthy lifestyles; food safety and preservation; and financial capability. Gilmer County FACS programming also includes the Supplemental Nutrition Assistance Program Education (SNAP-Ed) that offers nutrition education to SNAP eligible adults wanting to make healthy lifestyle changes.

County media: The Times-Courier

UGA Extension offers educational programs, assistance and materials to all people without regard to race, color, national origin, age, gender or disability.
