### **Jessica Eubank, McDuffie County Agent**

**Education:** BS, Agriculture-Animal Science, University of Georgia;  
MEd, Agricultural Education, University of Georgia

**Programming focus:** Positive Development for Individuals, Families, and Communities; Chronic Disease Prevention/Healthy Lifestyles

The Family and Consumer Science Program in McDuffie County provides researched based information from the University of Georgia helping families improve their quality of life. FACS Programming is comprehensive covering a variety of family issues which promote health, nutrition, safety, human development and financial literacy. Our practical skills approach involves educational opportunities that will increase participants' awareness of healthier life choices.

**County media:** McDuffie Progress; WTHO Radio

UGA Extension offers educational programs, assistance and materials to all people without regard to race, color, national origin, age, gender or disability.
