University of Georgia
Extension

Kimberly Benford, Cobb County Agent

Education: ME in Secondary Education, Grand Canyon University; BS in Family and Consumer Sciences (Consumer Economics), The University of Georgia

Programming focus: Chronic Disease Prevention/Healthy Lifestyles; Financial Capability; Food Safety and Preservation.

Family and Consumer Sciences in Cobb County is committed to providing individuals and families with healthy recipes and new alternatives to common meal favorites. We encourage individuals to become proactive in their health by incorporating physical activity and nutritious choices into their daily activities. FACS also promotes food safety through food preservation workshops and by offering the ServSafe Manager Training Certification program. UGA Cobb Extension Family and Consumer Sciences also offers programming in financial literacy for youth and adults.

County media: Marietta Daily Journal

UGA Extension offers educational programs, assistance and materials to all people without regard to race, color, national origin, age, gender or disability.
