

CONFLICT RESOLUTION

HOW TO PREVENT CONFLICTS IN PLATONIC AND ROMANTIC RELATIONSHIPS

AVOIDING MONEY STRAIN IN FRIENDSHIPS

If money becomes an issue, address it openly and respectfully to prevent it from affecting the friendship. Avoid keeping score, and focus on maintaining mutual respect and understanding.

SETTING BOUNDARIES

Establish clear boundaries regarding lending or borrowing money, and be honest if you're uncomfortable with a request. It's okay to say no and offer alternative ways to help if necessary.

ROMANTIC MONEY CONVERSATIONS

- Early Money Conversations in Romantic Relationships: Discuss finances early on to set expectations and prevent future conflict. Talk about your attitudes toward money, whether you're a spender or saver, to align goals.

PLATONIC MONEY CONVERSATIONS

- Be clear and respectful when discussing money, whether splitting bills or making financial plans. Avoid assumptions and ensure everyone's expectations are aligned to prevent misunderstandings.
- Setting Money Boundaries in Platonic Relationships: Establish clear boundaries regarding lending or borrowing money, and be honest if you're uncomfortable with a request. It's okay to say no and offer alternative ways to help if necessary.
