La Keshia Levi, Houston County Agent

Education: Associate of Applied Science, Butler Community College; BA in Psychology, University of Alaska-Fairbanks.

Programming focus: Chronic Disease Prevention/Healthy Lifestyles; Positive Development for Individuals, Families and Communities; Economic Well-being for Individuals and Families; Food Safety and Preservation.

The Houston County FACS Extension Program implements research-based education designed to address local needs and improve the quality of life for families and individuals. The programs offered include child-care training for providers, Walk Georgia, health and nutrition, financial and housing education, chronic disease prevention, food safety, and ServSafe training for restaurant managers. Houston County Ext. collaborates with local agencies to help residents become better prepared with life and job skills.

County media: The Macon Telegraph and The Houston Journal

UGA Extension offers educational programs, assistance and materials to all people without regard to race, color, national origin, age, gender or disability.
