Liz Singley, Stewart County Agent

Education: University of Georgia- B.S. Home Economics

Programming focus: Chronic Disease Prevention/Healthy Lifestyles; Financial Capability; Positive Development for Individuals, Families, and Communities

In Stewart County, the Family and Consumer Sciences program is working to improve the health and well-being of all citizens.

The program focuses on Nutrition, Health, and Chronic Disease Prevention; as well as Relationship Skills, and Financial Literacy Education.

Programming is designed to increase the participant's awareness of healthier life choices that will improve their quality of life.

UGA Extension offers educational programs, assistance and materials to all people without regard to race, color, national origin, age, gender or disability.
