### Dana R. Lynch, Monroe County Agent

**Education:** B.S. Consumer Economics, Auburn University; M.S. Agricultural Leadership, University of Georgia

**Programming focus:** Chronic Disease Prevention/Healthy Lifestyles, Positive Development for Individuals, Families and Communities and Healthy, Safe and Affordable Housing Environments

The Family and Consumer Science Program provides researched based information from the University of Georgia helping families improve their quality of life. FACS Programming is comprehensive covering a variety of family issues which promote health, safety, human development and financial literacy. A primary focus has been in Chronic Disease Prevention/Healthy Lifestyles based on the data that support the need of Monroe County citizens. The program has been a key player in addressing public concerns related to well water quality problems in the county.

**County media:** The Monroe County Reporter, The Telegraph in Macon, TW stations: 13 WMAZ, WGXA, WMGT, Radio station: Magic 100.

UGA Extension offers educational programs, assistance and materials to all people without regard to race, color, national origin, age, gender or disability.
