

5. Program Demographics

On this page the program will be asked to report on certain demographics of the program. Please note that the Commission collects the following information to report certain diversity data on accredited programs to the public. The Commission understands that diversity is represented in programs in a variety of ways in addition to gender and ethnicity which must be reported on below. Programs are encouraged to review Eligibility Criterion H of the [COAMFTE Accreditation Standards Version 12](#) for additional information on COAMFTE accreditation and diversity.
