Rebecca Stackhouse, Crisp County Agent

Education: B.I.S. Social Science, University of North Alabama; M.S. Family Studies, University of North Alabama.

Programming focus: Financial Capability, Healthy, Safe, and Affordable Housing Environments, Positive Development for Individuals, Families, and Communities.

The Crisp County Family and Consumer Sciences (FACS) program is focused on providing resources and education to build a strong community so that families and individuals are healthy, safe, and have economic stability. Local issues include Quality Childcare Education and Parent/Youth Relationship Education. Childcare providers need ongoing education to remain licensed and achieve quality rating. P/YRE will help to improve family communication and foundations for all relationships. Rebecca holds a Certification of Family Life Education (CFLE). She has developed partnerships with local agencies and organizations to reach a broader audience. Crisp Co. will offer base programming in all areas of FACS. Ms. Stackhouse is also a certified Lifeguard Instructor, Babysitter Instructor, and Water Safety Instructor and will offer American Red Cross classes in lifeguarding, CPR/AED/First Aid, babysitting, small craft safety, and water safety.

County media: Cordele dispatch and WSST- TV.

UGA Extension offers educational programs, assistance and materials to all people without regard to race, color, national origin, age, gender or disability.
