

# Savings Strategies

## Create a Budget

Create a budget and track your monthly expenses and income.

A Budget can help you see your cash inflows and expenses in one place.

## Reduce your expenses

Cutting down on any unnecessary expenses can help you save towards your savings goals.

Such as canceling subscriptions you don't use or need.

## Set Clear Goals

Set Short-term financial goals.

And set Long-term financial goals.

## Open a savings account

Open a savings account to put away any extra money and save!

You can easily open a savings account through your bank.

## Emergency Fund

Build an emergency fund to cover unexpected expenses.

## Automate Saving

Set up automatic transfers from your checking account to your savings account.
