

DESIGNED BY: *Monica Mazurek*

The Pendleton House
ALEXANDRIA, VIRGINIA

Concept & Inspiration

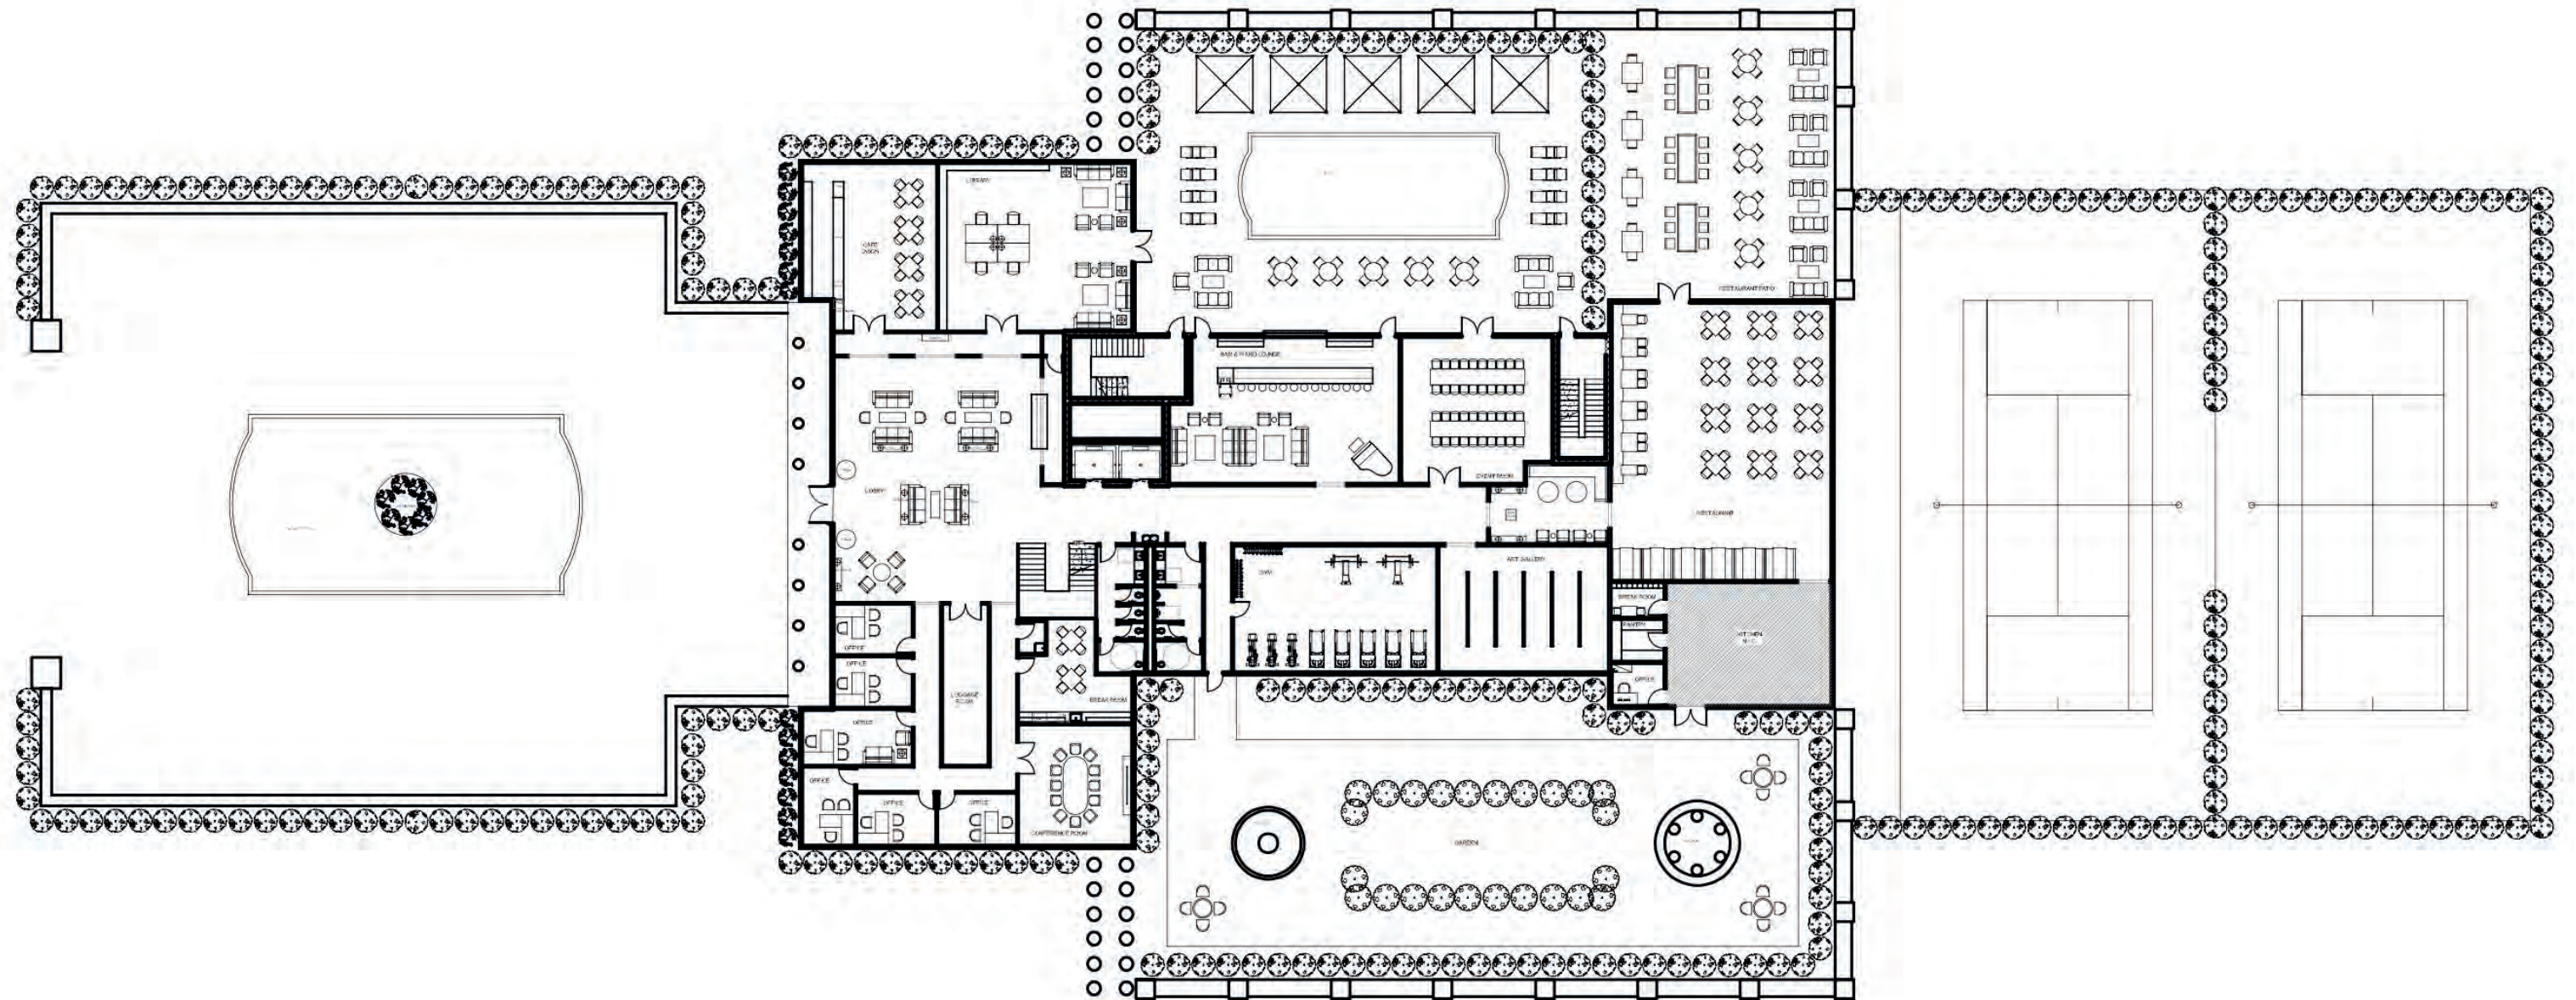

THE PENDLETON HOUSE IN ALEXANDRIA, VIRGINIA IS A CONTEMPORARY INTERPRETATION OF THE CITY'S COLONIAL & FEDERAL ARCHITECTURAL HERITAGE. ITS DESIGN DRAWS ON SYMMETRY, BRICK FACADES, COLUMNED PORTICOS, & FORMAL LANDSCAPES FOUND THROUGHOUT ALEXANDRIA & IN NEARBY WASHINGTON, D.C. THE NAME "PENDLETON," HISTORICALLY TIED TO EARLY VIRGINIA FAMILIES, COMES FROM AN ENGLISH TERM MEANING A HILLSIDE SETTLEMENT. LOCATED WITHIN ALEXANDRIA'S HISTORIC DISTRICT, ONE OF THE MOST INTACT COLLECTIONS OF 18TH & 19TH-CENTURY ARCHITECTURE IN THE COUNTRY, THE HOTEL IS DESIGNED AS AN EXTENSION OF ITS SURROUNDINGS. IT BLENDS WITH THE URBAN FABRIC THROUGH CAREFUL ATTENTION TO PROPORTION, MATERIALITY, & SCALE. THE RESULT IS A BALANCE BETWEEN TRADITION & CONTEMPORARY HOSPITALITY, CREATING AN EXPERIENCE THAT FEELS BOTH ROOTED IN HISTORY & DISTINCTLY CURRENT.
