Teresa Adkins, Decatur County Agent

Education: B.S. Education (Valdosta State University), M.S. Special Education (VSU)

Programming focus: Chronic Disease Prevention/Healthy Lifestyles; Food Safety and Preservation; Positive Development for Individuals, Families, and Communities

Family and Consumer Sciences programming in Decatur County focuses on healthy living for families and individuals through non-biased research based outreach and resources. With a primary emphasis on nutrition, food safety/preservation and chronic disease prevention, educational components incorporate practical skills for citizens to promote awareness of healthy lifestyle choices. Decatur County Family and Consumer Sciences also provides information on finances, family, housing and textiles.
