Hope Warren, Cobb County Coordinator

Education: B.S. Management; M.A. Shorter University

Programming focus: Chronic Disease Prevention/Healthy Lifestyles, Food Safety and Preservation, Economic Well-being for Individuals and Families

My role is in administration serving as County Extension Coordinator and County Department Head. Cobb County Extension Family and Consumer Sciences provide resources, programs, and trainings on all facets of individual and family life. Family and Consumer Sciences is the source for information on parenting, child care, financial resilience and health, safe and affordable housing; with a strong emphasis on health and healthy lifestyles, chronic disease prevention, food safety and food preservation.

County media: Marietta Daily Journal.

UGA Extension offers educational programs, assistance and materials to all people without regard to race, color, national origin, age, gender or disability.
