**Revised**

**The University of Georgia**  
Graduate School

**Advisory Committee for Master of Arts and Master of Science Candidates**  
(Please submit this original and one (1) copy of this form to the Graduate School)

As Graduate Coordinator, I recommend the appointment of the three members listed below as the Master's Advisory Committee for:

Name SS#            -            -

Address Degree

Major

Student's Committee

Major  
Professor

Member

Member

The three-person committee, in consultation with the student, is charged with planning and approving the student's program of study, advising the students on required research skills, guiding the thesis research, reading and approving the thesis, and administering the thesis defense and the final examination over the program of study. The major professor and at least one of the other members of the Advisory Committee must be members of graduate faculty. This form should be submitted to the Dean of the Graduate School before the end of the first semester of residence of a prospective candidate for the degree.
