

**Niyantri Ravindran**

Department of Human Development and Family Science  
College of Family and Consumer Sciences, University of Georgia  
106 Family Science Center II (House D)  
405 Sanford Drive  
Athens, Georgia 30602  
Email: [niyantri.ravindran@uga.edu](mailto:niyantri.ravindran@uga.edu)

**EDUCATION**

**Ph.D.**, Human Development and Family Studies, University of Illinois at Urbana-Champaign 2018  
**M.S.**, Human Development and Family Studies, University of Illinois at Urbana-Champaign 2016  
**B.A.**, Psychology, University of Minnesota 2012

**PROFESSIONAL POSITIONS**

**Assistant Professor** 2022-  
Department of Human Development and Family Science  
University of Georgia

**Assistant Professor** 2020-2022  
Department of Human Development and Family Sciences  
Texas Tech University

**Postdoctoral Research Scholar** 2018-2020  
Departments of Psychology and Human Development and Family Studies  
The Pennsylvania State University

*Development of Self-Regulation Dynamics Project (RO1HD076994)*  
*Advisors:* Pamela M. Cole, PhD, and Nilam Ram, PhD

**Post-baccalaureate Research Assistant** January-July 2013  
Institute of Child Development  
University of Minnesota

*Midwest Child-Parent Center Expansion Project*  
Supervisor: Dr. Arthur Reynolds

**RESEARCH INTERESTS**

- Dynamics of parent-child interactions
- Sociocultural and affective determinants of parenting behavior
- Parental socialization of emotion
- Physiological stress reactivity and regulation in parents and children
- Children's emotion regulation, social competence, and peer relationships

## GRANT ACTIVITY

### **Measuring Context-Specific Emotion Socialization Practices in Black American Parents**

Role: PI

Society for Research in Child Development, Small Grant for Early Career Scholars  
2024 (\$7,500)

### **A Longitudinal Multi-Method Approach to Understand the Early Development of Math Anxiety**

Role: Co-PI (40% effort); PI on UGA subaward (Texas A&M primary; PI Dr. Zhe Wang)

National Science Foundation

2023-2028 (\$800,000 UGA Subaward)

### **Mothers' Dispositional Distress Reactivity, Physiological Regulation, and Supportive Behavior: A Dynamic Approach**

Role: PI

Dolores Norton Award, Illinois Association of Infant Mental Health  
2017 (\$5000)

## AWARDS AND HONORS

Lilly Teaching Fellows Program, University of Georgia	2024-2026
Georgia CTSA Translational Education and Mentoring in Science Program	2023-2024
Owens Institute for Behavioral Research Grant Development Program Participant, University of Georgia	2023-2025
International Society for Developmental Psychobiology Postdoctoral Travel Award	2019
Russell Sage Foundation Travel Grant to Summer Institute on Integrating Biological Approaches in the Social Sciences	2019
Society for Research in Child Development Early Career Travel Award	2019
University of Illinois Graduate College Dissertation Completion Fellowship (Declined)	2018
List of Teachers Ranked as Excellent by their Students	2014, 2015 2017, 2018
Sharon Borine Capstone Award for the best Senior Project, University of Minnesota	2012
Undergraduate Research Opportunities Program Award, University of Minnesota	2012

## PUBLICATIONS (PEER-REVIEWED)

**Ravindran, N.**, McElwain, N. L., Berry, D. J., & Kramer, L. (2015, March). *Mothers' distress in response to others' distress: Contributions to parenting in a challenging situation*. Biennial Meeting of the Society for Research in Child Development, Philadelphia, PA.

**Ravindran, N.**, Engle, J. M., McElwain, N. L. & Kramer, L. (2014, November). *Getting a grip: Sibling-focused intervention improves parents' emotion regulation*. Special Topics meeting of Society for Research in Child Development: New Conceptualizations in the Study of Parenting at Risk, San Diego, CA.

**Ravindran, N.** & Hetherington, C. (2013, May). *Relational aggression in families and its impact on adolescent development*. Midwestern Psychological Association Psi Chi Convention, Chicago, IL.

**Ravindran, N.**, Pitula, C., Lingras, K., & Englund, M.M. (2013, April). *Longitudinal and concurrent contributions of ego control, ego resilience and social functioning to relational aggression and victimization in middle childhood*. Society for Research in Child Development, Seattle, WM.

## PROFESSIONAL DEVELOPMENT SESSIONS

Panel member, Invited Presenter Symposium: *Navigating Funding for International Graduate Students and Early Career Scholars* (May 2025). Society for Research in Child Development Biennial Meeting, Minneapolis, MN.

Lunch with the Leaders, Invited Round Table (July 2024). International Congress of Infant Studies, Glasgow, United Kingdom.

**Ravindran, N.**, & Gao, M. (April 2021). International Graduate Students: How to Locate, Land, and Thrive in Postdoctoral Positions in the US. Symposium co-chair: **N. Ravindran**. Workshop presented at the Society for Research in Child Development Biennial Virtual Meeting.

Panel member, Invited Presenter Symposium: *Finding and Securing Jobs in Academia: Post Doc Positions, Tenure and Non-Tenure Track Options* (November 2020). National Council on Family Relations Virtual Conference.

## TEACHING AND MENTORING

### Courses Taught

HDFS 4860/6860: Parenting and Child Guidance  
University of Georgia

Fall 2025-

HDFS 2300: The Science of Studying Human Development and Families <i>University of Georgia</i>	Spring 2023-present
HDFS 8840: Introduction to Multilevel and Growth Curve Modeling <i>University of Georgia</i>	Fall 2022-present
HDFS 5101: Research Methods in HDFS <i>Texas Tech University</i>	Spring 2022
HDFS 5313: Psychosocial Development <i>Texas Tech University</i>	Fall 2021
HDFS 3331: Parenting <i>Texas Tech University</i>	Fall 2020 Spring 2021
HDFS 105: Introduction to Human Development (online) <i>University of Illinois</i>	Summer 2016
HDFS 290: Introduction to Research Methods (Lab Leader) <i>University of Illinois</i>	2017-2018
HDFS 105: Introduction to Human Development (Discussion Leader) <i>University of Illinois</i>	2014-2015

#### Invited Guest Lectures

<i>HDFS 8800: Quantitative Methods in HDFS at University of Georgia</i> Title: Machine learning Methods in the Developmental and Family Sciences	2023
<i>Developmental Psychology undergraduate class at Wayne State University</i> Title: Parent-Child Dynamics and Children's Emotion Regulation	2021
<i>HDFS 500: Advanced Professional Development at University of Illinois</i> Title: Navigating the Tenure-Track Job Market	2021, 2022
<i>HDFS 305: Middle Childhood at University of Illinois</i> Title: Sibling Relationships in Middle Childhood	2017, 2018
<i>HDFS 105: Introduction to Human Development at University of Illinois</i> Title: Research Methods: Infancy and Early Childhood	2015-16
<i>HDFS 450: Practicum in HDFS at University of Illinois</i> Title: Using Attachment Theory in Research and Applied Settings	2015

#### Graduate Student Committees

Sawyer Copeland	HDFS Master's thesis, TTU	Committee Member	2022
Alp Aytuglu	HDFS Dissertation, UGA	Committee Member	2023
Erin Quinn	HDFS Clinical Project, UGA	Committee Member	2024
Yating Huang	HDFS Master's thesis, UGA	Committee Member	2025

## Doctoral Supervision

Kellsie Prather, HDFS PhD Student, University of Georgia  
Cory Carvahlo, HDFS PhD Student, University of Georgia  
Jiyoung Kim, HDFS PhD Student, University of Georgia

## STATISTICAL TRAINING

Analyzing Intensive Longitudinal Data with Group Iterative Multiple Model Estimation, Drs. Kathleen Gates and Stephanie Lane	May 2019
Modeling Within-person Associations in Longitudinal Data, Dr. Lesa Hoffman	May 2018
Dynamic Structural Equation Modeling with Intensive Longitudinal Data, Mplus Team	August 2017
Introduction to Longitudinal Multilevel Models, Dr. Lesa Hoffman	May 2017
Structural Equation Modeling with Latent Variables, Dr. Kristen Bub	August 2016

## METHODOLOGICAL TRAINING

Integrating Biological Approaches in the Social Sciences, Northwestern University <i>Selected to attend intensive summer training on biomarkers of stress</i>	June 2019
NIH Grant-Writing Series, Interdisciplinary Health Sciences Institute, University of Illinois	Fall 2017
CardioEdit/CardioBatch Workshop on editing heart-rate data, Brain-Body Center, University of Illinois at Chicago	October 2015

## PEDAGOGICAL TRAINING

Mentorship Development: Understanding Diversity, The Pennsylvania State University	July 2019
Planning your First Course, The Pennsylvania State University	March 2019
Writing Across the Curriculum, University of Illinois	August 2017
Strategies for Facilitating Student Engagement in the Classroom, University of Illinois	July 2017
Practical Tips for Incorporating Intersectionality in the Classroom, University of Illinois	April 2017
Teaching about Diversity & Inequality, University of Illinois	November 2016

## SERVICE

### Departmental and University Service

Member, QMFSS Committee, University of Georgia	2023-
Member, CFT Faculty Search Committee, University of Georgia	2024-2025
Member, Little Houses Committee, College of FACS, University of Georgia	2023-2024
Member, HDFS Faculty Search Committee, University of Georgia	2023

Member, Child Development Lab Faculty Advisory Committee, University of Georgia	2022-2023
Member, HDFS Graduate Admissions Committee, University of Georgia	2022-
Member, HDFS Diversity, Equity, and Inclusion Committee, Texas Tech University	2021-2022
Member, HDFS Scholarships Committee, Texas Tech University	2022
Member, HDFS Faculty Search Committee, Texas Tech University	2021
Member, Graduate Admissions Committee, Texas Tech University	2021-2022
Judge, Undergraduate Research Conference, Texas Tech University	2021
Student Member, HDFS Diversity and Inclusion Committee, University of Illinois	2017-2018
Organizing Committee, HDFS Departmental Orientation for Teaching Assistants, University of Illinois	2017
Judge, Undergraduate Research Symposium, University of Illinois	2017
Member, International Graduate Student Employees Working group (a subdivision of the Graduate Employee Organization Labor Union), University of Illinois	2015-2017
Treasurer, HDFS Graduate Student Organization, University of Illinois	2015-2016

### **Editorial Positions**

Editorial Fellow, *Journal of Family Psychology* (2025-2026)

Consulting Editor, *Journal of Research on Adolescence* (2023-present)

Consulting Editor, *Journal of Family Psychology* (2022 - 2024)

Consulting Editor, *Developmental Psychology* (2020-2022)

### **Professional Service**

**Co-chair**, Social, Emotional, and Personality Panel, Society for Research in Child Development 2025 Biennial Meeting

**Reviewer**, SRCD Small Grants Program for Early Career Scholars, 2025

**Ad Hoc Reviewer**, *Applied Developmental Psychology*, *Child and Adolescent Psychopathology Research*, *Child Development*, *Child Psychiatry and Human Development*, *Developmental Psychology*, *Development and Psychopathology*, *Developmental Science*, *Emotion*, *Family Relations*, *International Journal of Behavioral Development*, *Journal of Adolescence*, *Journal of Child and Family Studies*, *Journal of Family Psychology*, *Journal of Leisure Research*, *Merrill-Palmer Quarterly*, *Motivation and Emotion*, *Psychophysiology*

**Conference Submission Reviewer**, Society for Research in Child Development 2023 Biennial Meeting (Social, Emotional, and Personality Panel)
