"A deeper understanding of how to communicate. Knowing how to express myself and my needs to my spouse is the main thing I have learned to do since this program. I also found a new appreciation for my family support system."

ROCKDALE COUNTY, VIRTUAL

"We learned the process to strengthen our marriage in a healthy way while raising two children. We grew as a family throughout the process."

MUSCOGEE COUNTY, VIRTUAL

"With us being a new couple, it helped us get on the same page early on in our relationship and have an agreed upon foundation to build on moving forward. We gained more insight into one another faster than was beneficial."

HENRY COUNTY, VIRTUAL

"I have learned a lot from this program. I now take the time to figure out my partners feelings. Our family is coming together better as a whole."

CLAYTON COUNTY, VIRTUAL

"We learned how to use a lot of tools, see things from each others perspective and where to find many community resources!"
