

What other parents say about Parent to Parent OF GEORGIA

"Even without a diagnosis, Parent to Parent has been wonderful at hooking us up with other parents who have children with the same symptoms as our son's."

"When I was stressed, you were there for me."

"I'd hate to think about where my husband and I would be without having talked to another parent and read the provided information."

"You've provided me with the BEST possible resource...a parent going through life the same way we will. Sometime simple advice or direction, mixed with experience, makes a world of difference! Thank you!"

"I've been getting support from P2P for eight years! No other agency offers this type of help."

"It is a blessing for me to count on Parent to Parent's services. Your program is like a special gift to families."
